PASTOR ALIX

Healing Hands - VBS Week

Healing Hands Kids Club had an average attendance of 138 children each day over a six day VBS. **Jesus Has Power** was the theme for the week. Carnival games, crafts and music were all part of the teaching activities. The club held a distribution of clothing,

shoes and tooth brushes for children. Adult clothing was given to the pastor for distribution at his church. Alix Vilsaint is the leader for this club and he said, "Thank you for helping us realize our first VBS for Hold Hands. It had a great impact over the kids and in

the community. Jesus has a special place in the hearts of those kids. Thank you LUKE 101 and First Christian Kissimmee! We also thank First Christian Kissimmee for their teams generous offering that helped to feed the children each day."

BIBLE STORIES IN COLOR

JESUS HAS POWER!

CRAFTING

Kingdom Workers

And how can anyone preach unless they are sent? As it is written: “How beautiful are the feet of those who bring good news!” Romans 10:15

Kissimmee First Christian Church team is no stranger to Haiti and the work going on there. Chris and Maggie Wells are strong supporters who have traveled many times to Haiti; this was their fifth time leading a group of enthusiastic youth workers!

The Kissimmee team led five VBS programs, prayer-walked a community, assisted in food and clothing distributions, played soccer, led singing, preached, and saw salvation while they were there. Chris and Maggie ended their week with a special outing of pizza and ice cream with one of the families they have come to love so much.

We look forward to next summer with this tireless Kissimmee team!

THANK YOU, JESUS, FOR ALLOWING US TO SERVE.

SERVANTS

Here Comes the Bride!

It was an honor to attend the wedding of our dear friend and ministry partner Rodney Jusme and his beautiful bride Esther. Guests packed the early morning ceremony complete with singing, drama, preaching and the I Do's! May God bless this couple with health, love and courage as they enter a new life of ministry together.

Fruit and Veggies

The garden will be expanding this October! As the gardeners at CAD have shown their green thumb ability we are excited that the funding to plant more vegetables and new fruit trees will be on the horizon! We would like to thank Dorthy for her vision and assistance in the layout of this garden.

Soccer Expands

We are happy to announce that two new teams are currently forming. We are looking for financial supporters as well as donations of cleats!

This October Alison Gaddis will hold the first awards evening where all the players and their families will gather in celebration to honor the players and coaches.

They will participate in worship and fellowship. If you are interested, please email wendyzzz@msn.com or make an online donation at luke101.com.

Selfies

Each trip, we're reminded that despite cultural and language differences some things are universal...like love of selfies!
