HAITI OUTREACH MINISTRY OF EVANGELISM

Visitation Team

The last week of April, HOME partnered with First Primitive to visit patients at the TB hospital Sanatorium. Ribinson Cherisma and HOME were able to help contribute toward the transportation and supplies that were delivered.

This facility used to be a premier hospital but due to the lack of funding they can not even provide meals for patients; family members must attend to these needs. If you have no family, you are at the mercy of friends or good Samaritans. First Primitive and HOME took on that role during their visit. One man told of how he had been there for 25 days. He was a retired preacher. He had lung problems. They had taken 3 gallons of fluid off of his lungs during the days he was there. He was very malnourished.

The visitation team was able to bring temporary comfort. Please look at these photos and take time to pray for our brothers and sisters who are in dire need of comfort and Jesus. Also, keep the HOME visitation team in your prayers.

Not About the Score

SOCCER - TEAM CAD is more than a sports program!

Thank you HOME coaches and volunteers for training young men to become Christian leaders in their own communities. Ribinson and his team model, lead, and teach future Kingdom workers, business men, husbands, and fathers.

- 🕯 How do my choices reflect Jesus?
- 🕯 What is Jesus asking me to do?

“The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’ Matthew 25:40

KIDS CLUBS

MOSES STAFF SPOTLIGHT

These two little girls, ages 11 and 13, are attending the Moses Staff Kids club. They can barely write their names. Neither have attended school. They lived in the countryside but lost their father. Their mother is overwhelmed with six children and another on the way. The girls have come to live in the city with relatives. What a huge opportunity this small club has to shine a little light!

PROVIDING SPIRITUAL AND PHYSICAL FOOD

Kids Clubs are being led by HOME Team WISE Bible College graduates who are preparing and writing their own Bible based curriculum!

Each HOME pastor receives \$100 a month to help with the cost of materials, transportation, snacks, and organization of volunteers. Groups visiting on short term mission trips often assist by bringing prizes, craft supplies, and hygiene items for the children. One generous supporter recently donated a new printer for the team so they can make copies for the clubs! Merci!

Being able to provide a meal for the children would be a dream. It is difficult to learn when you are hungry. One young man once told me that when he is hungry his mother tells him to go out and play to take his mind off the hunger.

It would be powerful if the kids clubs could provide both spiritual and physical food. Just as Jesus fed the people before he taught, our goal is the same.

Clubs can feed each child for about \$1 a each. Do the math!

We have eight clubs meeting with almost 500 children attending each week. It seems a bit overwhelming, but this is our prayer.

Can you support Kids Club?

\$30 per month

KIDS CLUBS

WHAT WE'RE DOING

Moses Staff

Meeting on a porch learning English, calligraphy, Bible lessons, and games

Meyer Kids

Meeting in a church for talent show, drama, dance, Bible lessons, and music

Bonnette Kids

Meeting in a yard doing crafts, lessons, and games

Etesga Kids

Meeting in the church yard, learning about the journeys of Noah, Abraham, Jacob and Jesus; playing games, doing crafts, and making music

Delmas Kids

Meeting in a church for drama, lessons, and games

Kanaran Kids

Meeting for music, lessons, talent show, and crafts. Studying Jonah.

Hold Hands Club

Meeting outside, studying "Running away from God," making crafts, and playing games

Compassion Club

Meeting outside under a tree for crafts, Bible Champion scripture competition, and Bible study of Jonah

A WORD FROM PASTOR JUSME

Above all differences and culture, how WISE to invest in the future...Meyer's soccer team is already a team who is referenced in the community!

Our team is doing Christian service together. We play with other teenagers from the community. As coaches, we have met the parents of the players. We are becoming a family!

Always before practice, we have a time of devotion. This already brings news, "the good news," to the players.

Amazing to see how training is happening through a simple game!
